

RIDICULOUS INNOVATION SUMMIT

OCTOBER 10, 2014 9-4 P.M.

AVILA UNIVERSITY LEARNING COMMONS

An Interactive Learning Experience that Inspires:

- Innovative thinking and design
- Collaborative planning and idea execution
- Vetting plausible solutions per Team
- Creative Applications and Learning Spaces

“THE DESIGN ATTITUDE...FINDING THE BEST ANSWER POSSIBLE,
GIVEN THE SKILLS, TIME, AND RESOURCES OF THE TEAM, AND
TAKES FOR GRANTED THAT IT WILL REQUIRE THE INVENTION
OF NEW ALTERNATIVES”

Richard J. Boland & Fred Collopy

Sponsored by: Avila University Center for Transformational Learning and
Avila School of Professional Studies

Guest Speaker: Roger Osorio

Come with a Problem, Leave
with an Innovative Solution!

Experience a day of
interactive sessions designed
to teach problem solving
skills that can be
immediately utilized in your
team

Not just a lecture, not just a
hands on workshop, but a
combination of both that
will propel your team to new
levels of success

Sign up today and Catch the
Innovative Spirit
